#### **Foundation:**

Great Family Organization (GFO), is a national, non-profit Organization, founded in January 2006 at HAC South Darfur State as a local CBOs and Registered as a NNGO in 2018 determined to provide services to those people affected by conflicts and disaster and to advocate for protection of vulnerable population peace and trust building among IDPs, returnees and host communities.

#### **Our Vision**

Provision of humanitarian support to vulnerable through the participatory approach and with dignity.

## **Our Mission**

GFO as a non-governmental organization dealing with emergency interventions as well as recovery and development through peace building and reconciliation.

Building capacity to produce self- livelihood is a short way to recover and save life to those who are in conflict.

## **GFO Goals**

- Developing rural societies that need to improve their educational, health, social, agricultural and livelihood situations.
- Contributes to the assistance of communities affected by conflict and natural disasters.
- Work on the establishment of an integrated /emergency support to improve food security and livelihood at operational areas in Darfur States and our other areas of interventions (Khartoum, Gedaref).
- Conduct workshops for the training of community, IDP camps for the sanitation of the environment and preservation of water cleanliness.
- Contribute to the reduction of maternal mortality and infant birth program in urban and rural community in Darfur.
- Education is a right for every child in conflicted areas in Sudan
- Building trust and peace between all conflicted communities.
- Conduct advocacy for rights of children, women and person with disabilities.
- Increasing families' income through economic capacity building.

## **Core Value**

- All GFO works are based on respect for the inherent worth and dignity fundamental rights

- Transparency, accountability and integrity and Sustainability
- Cooperation and partnership (We respect the wishes and requirements of our members and networks and the communities they serve -(Equity and Child wellbeing)
- Comprehensive viewpoint (Should seek to understand, without prejudice, the needs and circumstances of all sides in any conflict situation.

### **Code of Conducts:**

We comprised code of conducts issued by global gathering of non-governmental organizations and represented as follows:

- Coordination and Cooperation with all humanitarian communities.
- Following humanitarian principles
- Human rights and dignity
- Fulfill obligations with partners.
- Using participatory mechanism in service provision. (Do NO HARM).

- Admin officers and staffs in all offices and sub-offices 26 personnel.
- Good performance of capacity to mobilize the communities and leaders to implement projects and monitor the activities/outputs.

### **Funding:**

GFO funding is based on projects and partnership with INGOs and sometime gifts and cooperation with private institution.

Since 2007, GFO had good partnership with International communities including UN Agencies, IOM, ICRC and INGOS.

- Strategic partnership was signed with WVI, CIS, Alight to implement common projects in the geographical areas of our common intervention.
- United State Institute of Peace (USIP)/GFO signed a contract of training Darfur leaders on Customary Law (all over Darfur) – 300 leaders of different levels of different ethnic groups in the 5 States of Darfurs. (16 workshops conducted). 2006
- GFO/IRC signed TOR for training IDPs leaders in Leadership and camp Management in South Darfur and Central Darfur 2008/2009
- CHF/SHF. GFO is eligible for CHF/SHF funding since 2011 up to date. Last project was in February – to October 2025 Es/NFI distribution.

### **Number of people Served:**

People who received services from GFO:

- 1- Internally Displaced Person (IDPS) # 1,020,900 individuals received humanitarian services (Food, Non-food and shelters, Health, Water and Sanitation, education and protection since 2006
- 2- Host rural communities who hosted IDPs. # 157,000 households received FSL, training on IGAs, GBV and women empowerment.

- 3- Refugees: 26,000 individuals who received emergency services including reception kits.
- GFO is registered in SAM.gov (US) **SGDLX7GXRSB9** and PODAR (EU) # **SD-2010-GVS-2103261654**.

### **Administration capacity.**

GFO has an administration and financial (**Kush Integrated Financial System**) system which help to manage all activities which include:

- Staffs management (HR)
- Logistics including procurements and transports.
- Staff capacity and performance.
- Local Audits and External Audit (trough International partners).
- M&E
- Finance management

### **Way forward**

GFO is planning to expand its intervention to West Kordofan and North Kordofan for 2026 to serve vulnerable affected by war local communities.

GFO also seeks for capable partners to serve more people in all over Sudan and maybe South Sudan in the near future.

Mohammed Eltahir Asil

General Manager

Oct/ 2025.
